Response Due Date

IDENTIFICATION NUMBER: C00003418

REFERENCE: DECEMBER MONTHLY REPORT (11/01/2011 - 11/30/2011)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 5 item(s):

1. Schedule B supporting Line 21(b) of your report discloses reimbursements to individuals for expenses other than travel and subsistence. Please be advised that when itemizing reimbursements to individuals for goods or services, if the payment to the original vendor aggregates in excess of \$200 in a calendar year, a memo entry including the name and address of the original vendor, as well as the date, amount and purpose of the original purchase must be provided. Please amend your report to include the missing information or provide clarifying information if memo items are not required. (11 CFR §§ 104.3(b)(3)(i) and 104.9, and Advisory Opinions 1992-1 and 1996-20)
2. Schedule B supporting Line 21(b) of your report discloses a voided or returned check(s) for an expenditure(s) made during this or a previous reporting period. However, you have failed to provide a reason that the check(s) was voided or returned. Please either amend your report to provide an explanation for this activity or clarify if and when this check(s) was reissued. If it was not reissued, please clarify the steps your committee has taken in order to avoid the acceptance of a prohibited in-kind contribution(s). (11 CFR § 104.9)
3. Schedule B of your report discloses reimbursements to staff for apparent travel and subsistence advances in which the total amount reimbursed exceeds \$500. When the reimbursement amount to staff for travel and subsistence advances exceeds \$500, the payments by staff to any one vendor that make up

the reimbursement may have to be itemized. For example, if the related payments to any one vendor aggregate in excess of \$200 for the calendar year, the staff advance payment to the vendor must also be itemized in a memo entry for that reimbursement. Each memo entry must include the complete name and address of the original vendor, as well as the date, amount and detailed purpose of the advance. If itemization is not necessary for a particular reimbursement to staff in excess of \$500, you must indicate so in an amendment to this report. Please amend your report to include the missing or clarifying information. See Advisory Opinion 1996-20 for additional clarification. (11 CFR § 104.9)

4. Schedule B of your report discloses disbursements with the purpose "PER DIEM" that appear to be made from petty cash. Please be advised that disbursements from a petty cash fund to any person or vendor for any single purchase or transaction may not exceed \$100. If payments to the original vendor exceed \$200 in a calendar year, a memo entry including the name of the original vendor as well as address, date, amount, and purpose of the original purchase must be provided. Please amend your report to include the missing information or provide clarifying information if memo items are not required. (2 U.S.C. § 432(h)(2) and 11 CFR § 102.11)

5. Schedule C of your report discloses that the loan from "BB&T" is a line of credit. Loans and lines of credit received from lending institutions must be originally reported on both Schedules C and C-1. The Committee must continuously report the status of the loan on Schedule C, and should file a new Schedule C-1 if the loan or line of credit is restructured or if a draw on the line of credit is made. For lines of credit, the original amount on Schedule C will change when additional amounts are drawn from the total credit set aside for the Committee by the lending institution to reflect the total amount of obligation which the Committee is currently required to pay.

In addition, when a loan is received or when a draw is made on a line of credit, the Committee must report this receipt on a Schedule A supporting Line 13 of the Detailed Summary Page to enter the amount into the Committee's receipts. Likewise, when a payment is made, the payments on the principal must be disclosed on Schedule B supporting Line 26. Any payments on interest should be reported separately on the appropriate disbursement schedule. (11 CFR §104.3(d))

Please file an amendment to your report that includes the original amount of the line of credit.
